North Louisiana Fly Fishers Information:

We meet the second Tuesday of each month at 6 p.m. at the Red River Wildlife Refuge.

150 Eagle Bend Point

Bossier City, LA 71112

Come and join us! Our goal is to teach the art sport of flyfishing. Our goal is also to develop friendships so we have someone to fish with. You can fish alone but it is recommended to fish with a friend. We also try to have a lot of fun with trips to salt water, warm water, and cold water destinations.

Web site: Northlouisianaflyfishers.org

Facebook: Search for "fly fishing in the arklatex" and our new site should show up.

(we have an old expired site on facebook but the member in charge moved out of town and has since lost the password)

	Part of being a club is being able to contact each other. I have had my phone number published in fly fishing materials for 20 years. I have never had a problem. I encourage you to allow your phone number to be published in the newsletter. We want to establish relationships. People are always calling me asking for phone numbers. Please do not use these numbers for marketing purposes. Again, I have NEVER had a problem. If you do receive a call you don't want, it is easy enough to block the number from your phone.	
	If you want your phone number removed from the above list, let me know and I will delete it. Again, I have NEVER had a problem.
